PROFILE

Content Strategist and Senior UX Writer with over 4 years of experience in fintech, actively participating in product discovery and evolution within multidisciplinary squads. I work with research and metrics to identify friction points, translate insights into content decisions, and optimize experiences aligned with business goals. My background in marketing and multichannel strategy allows me to bring a comprehensive view of the user throughout the entire journey.

EXPERIENCE

Ssr UX Writer

Mercado Libre | (12/2021 - 01/2026)

- Designed microcopy and UX content for Mercado Pago within a multidisciplinary squad (Engineering, Product, and UX).
- Participated in discovery sessions and made content decisions based on research, data, and metrics to define problems and opportunities.
- Improved key indicators such as NPS and contact rate reduction by optimizing user flows and reducing friction.
- Integrated generative AI tools into my workflow to accelerate ideation and validation processes.
- Led user-centered discussions with stakeholders and technical teams, facilitating iterative processes.

Creative Content Lead

SM Digital | (07/2017 - 12/2021)

- Led the strategy and concept development of digital campaigns for brands such as Chocolates Jet, Colcafé, IMUSA, and Santafé Medellín.
- Managed a creative team, defining the conceptual direction and overseeing content and campaign execution from ideation to implementation.

Account Executive

Bárbara & Frick | (02/2017 - 06/2017)

- Acted as a liaison between clients and the agency, ensuring alignment and fulfillment of expectations.
- Monitored projects to guarantee timely deliverables consistent with the strategy, communicating requirements to the creative team.

Creative Copywriter

Alcaldía de Medellín | (04/2016 - 12/2016)

- Led the social media team, coordinating content strategy and execution.
- Conceptualized and developed creative ideas, scripts, and content pieces for institutional initiatives.

Digital Writer

Caracol Televisión | (09/2014 - 11/2015)

- Wrote informational content for the Noticias Caracol Antioquia web portal.
- Managed regional social media accounts, optimizing content publishing and distribution.
